

PRESIDENTIAL SUITE

Luxurious, intimate and naturally-lit, the Presidential Suite is an ideal alternative to the standard meeting room. Located on the seventh floor, this stunning suite features panoramic views of Yale's distinctive gothic and interior courtyards and amenities to make the transition from living space to meeting space effortless. The living room or den provides the perfect setting for filming, interviews, and private meetings.

The room features a separate living room, den, and a private bedroom. The room also includes an Illy Coffee® Espresso maker, a laptop and laser-jet printer (available upon request), high-speed Internet access, Bose sound system with iPod hookup, and an abundant supply of books for browsing.
